The changing religious profile of Asia:
Maps of Christians and Muslims

In this graphical appendix to our previous blog, we present maps of the distribution and share of Christians and Muslims across different regions and countries of Asia. The note begins with a map of the regions and countries of Asia. It would be instructive to consult these Maps while reading the previous note.
Maps showing the distribution of Christians, 1900 and 2010

ASIA 1900

DISTRIBUTION OF CHRISTIANS

[Each dot represents 50,000 Christians]

ASIA 2010
