- 4 pages [Shrewsbury R.O: Clive: Box 552/7/26] [PHOTO 4 SHEETS]

17. On the Revenue and Commerce of India: Journal Article, March 1827 (source not available): "The most exaggerated statements have been current in Europe from the remotest ages respecting the riches of India. The people of England were long of opinion that their Eastern Empire would form an inexhaustible source of wealth, and that so large a surplus revenue would be remitted home as would materially lessen their burdens. It would not perhaps be going too far to say, that these expectations have proved entirely fallacious; ... the following statements will serve to satisfy our readers that they have been realized only to a very small extent."

- 10x2=20 pages [PP 6199 h (45)] [PHOTO 10 SHEETS]

18. Extract - from "The embassy of Sir Thomas Roe to India: 1615-19" by W.Foster (ed) (1926): Includes a transcript of the Agreement with Khurram.
